Crossfire-J. A. Johnstone 2014-11-01 "The Loner's cross-country search for his kidnapped twins ends in San Francisco where he is joined by his father, Frank Morgan, the most notorious gunman of the West"--

The Loner-J. A. Johnstone 2010 They came from the sea, a former ship captain named Owen Bird who inherited a Texas ranch from his brother. A former pirate named "Black Terrance" Malone, who has arrived in the once peaceful Rattlesnake Valley with a crew of sea dogs to do his dirty work. And dirty work it will be, as Black Terrance begins a campaign of thieving and threatening, even targeting Bird's beautiful young niece. Into this storm rides the Loner, Conrad Morgan, son of the legendary gunfighter Frank Morgan. The Loner sees what no one else does, a war born on the high seas and a third party is biding his time, waiting to strike a death blow on solid, bloody ground.

Crossfire-Dick Francis 2010-08-17 Shell-shocked after losing a foot during his tour in Afghanistan, Captain Tom Forsyth returns to his estranged mother's house. His mother has always put horses first and family last. But now she's being blackmailed for a hefty sum every week and being forced to make her horses lose. Using the skills he honed in the military, Tom sets out to find and defeat a hidden enemy before his mother's reputation is ruined, and he ends up back in the crossfire.

Port City Shakedown-Gerry Boyle 2009-06-16 The first novel in veteran crime writer Gerry Boyle's series about young Brandon Blake is a tale of opportunistic predators on a collision course; it is about the ocean, the fortunes it can deliver—and the lives it can swallow whole.

Beautiful Disaster Signed Limited Edition-Jamie McGuire 2012-11-27 Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

Dr. Mary's Monkey-Edward T. Haslam 2014-07-01 The 1964 murder of a nationally known cancer researcher sets the stage for this gripping exposé of medical professionals enmeshed in covert government operations over the course of three decades. Following a trail of police records, FBI files, cancer statistics, and medical journals, this revealing book presents evidence of a web of medical secret-keeping that began with the handling of evidence in the JFK assassination and continued apace, sweeping doctors into cover-ups of cancer

outbreaks, contaminated polio vaccine, the arrival of the AIDS virus, and biological weapon research using infected monkeys. This new edition includes a foreword from author Jim Marr.

The New Husband-D.J. Palmer 2020-04-14 The New Husband is a riveting thriller about the lies we tell ourselves from D. J. Palmer, the author of Saving Meghan. What makes Simon Fitch so perfect? -He knows all her favorite foods, music, and movies. -Her son adores him. He was there when she needed him most. -He anticipates her every need. -He would never betray her like her first husband. The perfect husband. He checks all the boxes. The question is, why? Nina Garrity learned the hard way that her missing husband, Glen, had been leading a double life with another woman. But with Glen gone—presumably drowned while fishing on his boat—she couldn't confront him about the affair or find closure to the life he blew apart. Now, a year and a half later, Nina has found love again and hopes she can put her shattered world back together. Simon, a widower still grieving the death of his first wife, thinks he has found his dream girl in Nina, and his charm and affections help break through to a heart hardened by betrayal. Nina's teenage son, Connor, embraces Simon as the father he wishes his dad could have been, while her friends see a different side to him, and they aren't afraid to use the word obsession. Nina works hard to bridge the divide that's come between her daughter and Simon. She wants so badly to believe her life is finally getting back on track, but she'll soon discover that the greatest danger to herself and her children are the lies people tell themselves.

Libra-Don DeLillo 1991-05-01 From the author of White Noise (winner of the National Book Award) and The Silence, an eerily convincing fictional speculation on the events leading up to the assassination of John F. Kennedy In this powerful, unsettling novel, Don DeLillo chronicles Lee Harvey Oswald's odyssey from troubled teenager to a man of precarious stability who imagines himself an agent of history. When "history" presents itself in the form of two disgruntled CIA operatives who decide that an unsuccessful attempt on the life of the president will galvanize the nation against communism, the scales are irrevocably tipped. A gripping, masterful blend of fact and fiction, alive with meticulously portrayed characters both real and created, Libra is a grave, haunting, and brilliant examination of an event that has become an indelible part of the American psyche.

Hunger Makes Me a Modern Girl-Carrie Brownstein 2015-10-27 From the guitarist of the pioneering band Sleater-Kinney, the book Kim Gordon says "everyone has been waiting for" and a New York Times Notable Book of 2015-- a candid, funny, and deeply personal look at making a life--and finding yourself--in music. Before Carrie Brownstein became a music icon, she was a young girl growing up in the Pacific Northwest just as it was becoming the setting for one the most important movements in rock history. Seeking a sense of home and identity, she would discover both while moving from spectator to creator in experiencing the power and mystery of a live performance. With Sleater-Kinney, Brownstein and her bandmates rose to prominence in the burgeoning underground feminist punk-rock movement that would define music and pop culture in the 1990s. They would be cited as "America's best rock band" by legendary music critic Greil Marcus for their defiant,

exuberant brand of punk that resisted labels and limitations, and redefined notions of gender in rock. *HUNGER MAKES ME A MODERN GIRL* is an intimate and revealing narrative of her escape from a turbulent family life into a world where music was the means toward self-invention, community, and rescue. Along the way, Brownstein chronicles the excitement and contradictions within the era's flourishing and fiercely independent music subculture, including experiences that sowed the seeds for the observational satire of the popular television series *Portlandia* years later. With deft, lucid prose Brownstein proves herself as formidable on the page as on the stage. Accessibly raw, honest and heartfelt, this book captures the experience of being a young woman, a born performer and an outsider, and ultimately finding one's true calling through hard work, courage and the intoxicating power of rock and roll.

Renegades-Barack Obama 2021-10-26 NEW YORK TIMES BESTSELLER • Two longtime friends share an intimate and urgent conversation about life, music, and their enduring love of America, with all its challenges and contradictions, in this stunningly produced expansion of their groundbreaking *Higher Ground* podcast, featuring more than 350 photographs, exclusive bonus content, and never-before-seen archival material. *Renegades: Born in the USA* is a candid, revealing, and entertaining dialogue between President Barack Obama and legendary musician Bruce Springsteen that explores everything from their origin stories and career-defining moments to our country's polarized politics and the growing distance between the American Dream and the American reality. Filled with full-color photographs and rare archival material, it is a compelling and beautifully illustrated portrait of two outsiders—one Black and one white—looking for a way to connect their unconventional searches for meaning, identity, and community with the American story itself. It includes: • Original introductions by President Obama and Bruce Springsteen • Exclusive new material from the *Renegades* podcast recording sessions • Obama's never-before-seen annotated speeches, including his "Remarks at the 50th Anniversary of the Selma to Montgomery Marches" • Springsteen's handwritten lyrics for songs spanning his 50-year-long career • Rare and exclusive photographs from the authors' personal archives • Historical photographs and documents that provide rich visual context for their conversation In a recording studio stocked with dozens of guitars, and on at least one Corvette ride, Obama and Springsteen discuss marriage and fatherhood, race and masculinity, the lure of the open road and the call back to home. They also compare notes on their favorite protest songs, the most inspiring American heroes of all time, and more. Along the way, they reveal their passion for—and the occasional toll of—telling a bigger, truer story about America throughout their careers, and explore how our fractured country might begin to find its way back toward unity and global leadership.

Eve of Darkness-S. J. Day 2013-01-08 Cursed by God, hunted by demons, desired by Cain and Abel... All in a day's work. For Evangeline Hollis, a long ago fling with a bad boy from the wrong side of the tracks just became a disaster of biblical proportions. One night with a leather-clad man of mystery has led to a divine punishment: the Mark of Cain. Thrust into a world where sinners are drafted into service to kill demons, Eve's learning curve is short. A longtime agnostic, she begrudgingly maneuvers through a celestial bureaucracy where she is a valuable but ill-treated pawn. She's also become the latest point of contention in the

oldest case of sibling rivalry in history... But she'll worry about all that later. Right now she's more concerned with learning to kill while staying alive. And saving the soul she'd never believed she had ... in S.J. Day's *Eve of Darkness*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

JFK and the Unspeakable-James W. Douglass 2010-10-19 S Suggests that John F. Kennedy was assassinated because military leaders feared his dedication to peace would result in the United States falling to Russia

Rapture in Death-J. D. Robb 1996 Each murder victim died with a smile on their face. The only one who isn't grinning is Police Lieutenant Eve Dallas-because she's got to find out why.

Case Closed-Gerald Posner 2013-10-01 Pulitzer Prize Finalist: "By far the most lucid and compelling account . . . of what probably did happen in Dallas—and what almost certainly did not." —The New York Times Book Review The Kennedy assassination has reverberated for five decades, with tales of secret plots, multiple killers, and government cabals often overshadowing the event itself. As Gerald Posner writes, "Fifty years after the assassination, the biggest casualty has been the truth." In this first-ever digital edition of his classic work, updated with a special comment for the fiftieth anniversary, Posner lays to rest all of the convoluted conspiracy theories—concerning the mafia, a second shooter, and the CIA—that have obscured over the decades what really happened in Dealey Plaza on November 22, 1963. Drawing from official sources and dozens of interviews, and filled with powerful historical detail, *Case Closed* is a vivid and straightforward account that stands as one of the most authoritative books on the assassination of John F. Kennedy.

Crossfire-Jim Marrs 2013-10-22 What really happened in Dallas on November 22, 1963? Was the assassination of John F. Kennedy simply the work of a warped, solitary young man,

or was something more nefarious afoot? Pulling together a wealth of evidence, including rare photos, documents, and interviews, veteran Texas journalist Jim Marrs reveals the truth about that fateful day. Thoroughly revised and updated with the latest findings about the assassination, *Crossfire* is the most comprehensive, convincing explanation of how, why, and by whom our thirty-fifth president was killed.

Five Moons Rising-Lise MacTague 2017-06-01 Unknown to regular citizens, nightmarish creatures lurk in the dark underbelly of human civilization. The presence of these supranormals ("supras")—werewolves, vampires, demons—is a closely guarded government secret, as is the existence of a cadre of specially engineered Hunters charged with exterminating them. Code-named Malice, Hunter Mary Alice Nolan was genetically modified and rigorously trained to use her great strength, heightened senses, and killer instincts to track and eliminate supras who prey on the innocent. A loner by choice, her only real link to the human world is her close connection to her mother and sister—until the unthinkable happens... Ruri Samson has been a werewolf for more than a century and is comfortably situated as the Beta of her peaceful pack. Until she is betrayed by the woman she loves and an evil outsider massacres her Alpha and his most loyal followers. Barely escaping with her life, Ruri is forced to tread the perilous path of a lone wolf while vowing vengeance against the usurper and his minions. Although these two powerful women should rightfully despise each other, fate will soon compel them to join forces on a dangerous quest to avenge their loved ones—and will ignite a forbidden passion that neither of them ever imagined.

Unbound-Stuart Woods 2018 Stone is pulled into a lethal game of vengeance when an old buddy, CIA operative-turned film producer Teddy, seeks revenge on a man who recently helped to cover up a crime that was personal to Teddy.

The Ranger-Monica McCarty 2010-12-28 Chosen to help Robert the Bruce in his quest to free Scotland from English rule and claim his crown, the legendary team of warriors known as the Highland Guard battles on. Embedded deep behind enemy lines, Arthur "Ranger" Campbell is prized for his razor-sharp senses and his ability to blend into the shadows. But when Arthur infiltrates the clan of the chieftain who murdered his father, his heart is locked on revenge. Inside he faces unexpected resistance from the sweetest of obstacles—a honey-haired siren who is his enemy's daughter. Intrigued by this ruggedly handsome newcomer to her father's forces, the vivacious, enchanting Anna MacDougall is a woman whose skill at uncovering deception rivals Arthur's own. Though yearning for a quiet life with a good man to love, Anna is drawn to this mysterious knight whose eyes devour her but whose words push her away. As danger, treachery, and the threat of looming war draw them closer into each other's arms, a warrior made of steel must make a choice from the heart: love or revenge.

Shifting-Bethany Wiggins 2011-09-27 After bouncing from foster home to foster home, Magdalene Mae is transferred to what should be her last foster home in the tiny town of Silver City, New Mexico. Now that she's eighteen and has only a year left in high school, she's determined to stay out of trouble and just be normal. Agreeing to go to the prom with Bridger O'Connell is a good first step. Fitting in has never been her strong suit, but it's not for the reasons most people would expect—it all has to do with the deep secret that she is a shape shifter. But even in her new home danger lurks, waiting in the shadows to pounce. They are the Skinwalkers of Navajo legend, who have traded their souls to become the animal whose skin they wear—and Maggie is their next target. Full of romance, mysticism, and intrigue, this dark take on Navajo legend will haunt readers to the final page.

Girl on Fire-Tony Parsons 2019-03-05 When terrorists use a drone to bring down a plane on one of London's busiest shopping centres, it ignites a chain of events that will draw in the innocent and the guilty alike. DC Max Wolfe of West End Central finds himself caught in the crossfire between a tech-savvy terrorist cell and a revenge-seeking, Bible-quoting murderer called Bad Moses. And when Max's ex-wife suddenly reappears to reclaim custody of his beloved daughter Scout, he finds himself fighting the greatest battle of all.

The Last Mountain Man-William W. Johnstone 2018-08-28 In this series opener by two bestselling authors, an Old West farm boy with a hunger for revenge is molded into a fierce gunslinger. From his Missouri farm, the boy travels west. In his heart is vengeance. In his hand is a Navy Colt. By his side is the old mountain man named Preacher, who'll teach young Smoke Jensen everything he needs to know about fighting like the devil, and—when the time comes—dying like a man. Although Smoke Jensen's enemies have destroyed everything he's ever loved, they made one mistake: they let him live...

Childhood, Youth And Social Change-Lynne Chisholm 2005-08-04 First published in 1990. Routledge is an imprint of Taylor & Francis, an informa company.

Seven Days to Die-J.A. Johnstone 2011-01-28 He wasn't born to the gun. But a gunman's blood ran in his veins--and it was only a matter of time before there would be hell to pay. . . Six Days Of Killing. No Day Of Rest. . . Once he was a young, happily married businessman. Then he lost his wife to human madness and that young man was gone, replaced by Kid Morgan, the wandering son of legendary gunfighter Frank Morgan and the current occupant of a cell in Hell Gate prison. The Kid's crime? He looked too much like an outlaw who escaped from this very prison. So the Kid teams up with a fellow inmate with an escape plan, vowing to hunt down a look-alike killer on the loose. But in or out of prison, Frank Morgan's boy knows better than to trust anyone. And with Hell Gate behind him, any day could be his last. So every bullet must be his best.

Skin Deep-Ted A. Grossbart 1986 Presents an integrated program of psychological techniques, including hypnosis, relaxation, imaging, and psychotherapy to promote understanding about the conflicts that cause or complicate skin problems and explains how to cope with symptoms and setbacks

Sex, Straight Up-Kathleen O'Reilly 2008-04-01 Meeting a handsome loner on a deserted beach in the Hamptons was like being hit by lightning. One steamy weekend in bed with Daniel O'Sullivan and Catherine Montefiore was marvelously woozy from a delicious cocktail of sun, sand and superhot sex. Abruptly, though, Catherine's forty-eight hours of fun are at an end when her family's exclusive auction house is hit by a very public scandal. She's ready to step in and save the day, but she's hoping Daniel, her hot Irish hunk, will lend a hand. After all, he's got the necessary skills and, straight up or not, Catherine wants another long drink of Daniel before another forty-eight hours are up and her legacy is lost forever!

The Man Who Saved Britain-Simon Winder 2007-10-02 Bond. James Bond. The ultimate British hero--suave, stoic, gadget-driven--was, more than anything, the necessary invention of a traumatized country whose self-image as a great power had just been shattered by the Second World War. By inventing the parallel world of secret British greatness and glamour, Ian Fleming fabricated an icon that has endured long past its maker's death. In *The Man Who Saved Britain*, Simon Winder lovingly and ruefully re-creates the nadirs of his own fandom while illuminating what Bond says about sex, the monarchy, food, class, attitudes toward America, and everything in between. The result is an insightful and, above all, entertaining exploration of postwar Britain under the influence of the legendary Agent 007.

Simply Sinful-Carly Phillips 2021-05-11 He's not the man she thought he was. But when danger lurks, he's the man she needs. Any rookie on the force could verify if *Charmed!* is a legit etiquette school for businessmen, or...something else. But coming off a wrenching drug bust, Detective Kane McDermott's captain gave him a choice. Take the fluff case, or take

enforced time off. The moment Kane meets Kayla Luck, he's in trouble. She's fierce, keen-eyed intelligence in a body built for sin. And when they touch, the jolt of desire reminds him it's never wise to mix police work with pleasure. Kayla is used to handling men who are more focused on her curves than her mind. But when her newest client arrives for lessons in foreign language and business etiquette, she's the one who can't tear her eyes off all those muscles wrapped in a sexy, double-breasted suit. Dinner out leads to a hot night in bed, and Kayla falls hard and fast. Until she learns the business suit hides a badge, and she calls it quits. But Kane's already lost his heart—and discovered she's in danger. And if he can't convince her she's safe with him, he'll lose the woman he loves.

The Celestial Jukebox-Cynthia Shearer 2006 Boubacar, a 15-year-old boy from Africa, moves to a rural Mississippi Delta town and soon visits The Celestial Grocery, the city center presided over by a cranky second-generation Chinese proprietor and his equally cranky jukebox. The tie that binds these lives is American popular music.

Steal This Computer Book 4.0-Wallace Wang 2006-05-06 If you thought hacking was just about mischief-makers hunched over computers in the basement, think again. As seasoned author Wallace Wang explains, hacking can also mean questioning the status quo, looking for your own truths and never accepting at face value anything authorities say or do. The completely revised fourth edition of this offbeat, non-technical book examines what hackers do, how they do it, and how you can protect yourself. Written in the same informative, irreverent, and entertaining style that made the first three editions hugely successful, *Steal This Computer Book 4.0* will expand your mind and raise your eyebrows. New chapters discuss the hacker mentality, social engineering and lock picking, exploiting P2P file-sharing networks, and how people manipulate search engines and pop-up ads to obtain and use personal information. Wang also takes issue with the media for "hacking" the news and presenting the public with self-serving stories of questionable accuracy. Inside, you'll discover: -How to manage and fight spam and spyware -How Trojan horse programs and rootkits work and how to defend against them -How hackers steal software and defeat copy-protection mechanisms -How to tell if your machine is being attacked and what you can do to protect it -Where the hackers are, how they probe a target and sneak into a computer, and what they do once they get inside -How corporations use hacker techniques to infect your computer and invade your privacy -How you can lock down your computer to protect your data and your personal information using free programs included on the book's CD If you've ever logged onto a website, conducted an online transaction, sent or received email, used a networked computer or even watched the evening news, you may have already been tricked, tracked, hacked, and manipulated. As the saying goes, just because you're paranoid doesn't mean they aren't after you. And, as Wallace Wang reveals, they probably are. The companion CD contains hundreds of megabytes of 100% FREE hacking and security related programs, like keyloggers, spyware stoppers, port blockers, IP scanners, Trojan horse detectors, and much, much more. CD compatible with Windows, Mac, and Linux.

Letters for the Living-Michael Blitz 1998 This book takes up issues of violence in the lives of college students and looks for possibilities of teaching composition as an act of peace

making. Through a variety of writings, the book illustrates students' experiences on the city streets of New York and in the small mining and steel towns of western Pennsylvania. One section of the book reports on a project that linked one author/educator's (Hurlbert) research writing class and the other author/educator's (Blitz) freshman composition II class. In the semester-long project, the classes researched and wrote about their own neighborhoods and the neighborhoods of their interstate partners. The book states that these two groups of students taught each other about the places in which they live and the ways in which they live there, and in many cases, what each learned about the other was "shocking." It also shares with the reader letters in which the two author/educators reflect upon their work as teachers, in an effort to understand the personal and cultural implications of what students write and say. (Contains 101 references.) (NKA).

The Hunter-Gennita Low 2009-03-17 Book description to come.

Toms, Coons, Mulattoes, Mammies, & Bucks-Donald Bogle 2003 This study of black images in American motion pictures, is re-issued for its 30th anniversary in its 4th edition. It includes the entire 20th century through black images in film, from the silent era to the unequalled rise of the new African American cinema and stars of today. From *The Birth of a Nation*, *Gone with the Wind*, and *Carmen Jones* to *Shaft*, *Do the Right Thing*, *Waiting to Exhale*, *The Hurricane*, and *Bamboozled*, Donald Bogle reveals the way the image of blacks in American cinema has changed - and also the shocking way in which it has often remained the same.

Razor's Edge-Sylvia Day 2013-09-24 Hearts are laid bare in this *Shadow Stalkers* novella from the #1 New York Times bestselling author of the *Crossfire* series. It was a cool night in Carmel but for Deputy US Marshal Jack Killigrew, thoughts of Rachel were generating a lot of heat and sweat into his lonely nights. But having her could never be more than a fantasy. She was his best friend's widow. He promised to look after her should anything happen. And there's no way Jack could betray the memory of his buddy by making moves on the guy's wife—no matter how long he's desired her. Rachel's marriage had been perfect. So had her husband. But fate had a different plan. Now Rachel's a single mother, resilient and independent. It's time for her to move on and let a new man into her life. Jack's been there for her in the past but now she needs him in a different way. All Rachel has to do is convince him that it's right, that it's the best thing for both of them, and that it's about time... Includes an excerpt of *Taking the Heat*, another *Shadow Stalkers* novella. *Razor's Edge* previously appeared in *The Promise of Love*

The Death of the West-Patrick J. Buchanan 2002-01-18 Compares the collapsing birth rates in Europe and the U.S. with the population explosions in other parts of the world to predict massive shifts in the balance of world power and the disintegration of Western culture.

Hiding in Plain Sight-Theresa Miles 2021-09-21 A refreshingly honest and authentic description of a courageous and often lonely life journey. Theresa Miles is a technical writer by trade, but now offers a completely unabashed chronicle about fighting for her own truth amidst a world of hidden disparities. From each carefully crafted chapter comes a host of windows, tools, and graceful insights into an experience for anyone who has felt lost or alone, giving a framework of self-acceptance, love, courage, & resiliency. Her rediscovery of purpose includes critical situational messages that touch on bias and bigotry when living in a self-inspired role opposite and hidden from almost everyone. Consider this book as a great gift for starting or continuing a conversation. So goes the truism, people don't know what they don't know. Equally true is that to fully listen & hear someone else's story- you often follow a transformation of thought and replacement of preconceptions. While every story is uniquely one's own- the story of Hiding in Plain Sight, speaks to the plight of so many marginalized communities and demonstrates how one spent nearly a lifetime working to put it all into perspective. This work is a fantastic guide for folks navigating how to be a loving ally or advocate, or simply those just wanting to understand more dynamically. Asking self-directed questions is often a great 'first step'. What began as a faith-inspired gratitude journal served as the very foundation & framework that Teri worked to keep before & after her transition. The book's key premise is that readers will learn from Teri's experience providing a prompt for LGBTQ+ youth and adults to begin their self-analysis... facing their challenge spelling out their thoughts & wrestling with them as she has so masterfully done. Hiding in Plain Sight, isn't just a Testimony for Living- it is a vital and unique life-long account of perseverance. Rediscovery is one of the most valuable & genuine parts of our individual journeys on this Earth. We live in a world of break-neck speed, with many who fall behind often living only within other's agendas and expectations serving a lifetime of unanswered questions about who they really are- who they identify as and who can they turn to with unconditional support and love. The proceeds from this insightful memoir pieced together during Covid- 19 that will go to fuel the 'Miles in Front Foundation' established to continue ensuring that Trans, Non- Binary, & Genderqueer persons no longer have to wait for the world to catch up. These individuals deserve to live authentically and on the same level as everyone else. Enough of the violence and baseless motives behind those who refuse to acknowledge their loving presence- a true testimony to the diversity we all share on this planet. This paper is one way I find gives me some 'self-therapy, ' by probing my past to help resurface pain points that have been left dormant, to deal with them and dust them off... to put all things into perspective. Although, like many, there are many elements of my youth and past I would never want to repeat, but also that I would never trade- they make me who I am today. - Preface, Hiding in Plain Sight Sometimes there aren't names or labels for things you know are true. Sometimes your truth may be much more complicated than others can understand- what you do with that knowledge makes all the difference. Theresa Miles has chosen to take a stand & forge a path where there hasn't always been one during her life. She has taken what some might label as years of turmoil and concentrated on pulling out key opportunities on which we can all be inspired. This

entire window into Teri's journey is just one way she is reaching out from the inside and will continue helping others find ways to write their story. This can be one way for you to learn how to touch a part of your own heart that's been hiding.

Hollywood Genres-Thomas Gerard Schatz 1981 Schatz analyzes the studio system and tells what film genres mean in a general and theoretical way. Describing some important movie genres in Hollywood's "Golden Era", -- the Western, the gangster film, detective movies, screwball comedies, the musical and the family melodrama -- he surveys selected films and the work of directors associated with them.
