The COVID-19 Business Manual is a step-by-step plan from the Utah Department of Health to protect your business and prevent the spread of COVID-19. It is important to look at how your business operates and make a plan to make your worksite healthier. The manual has up-to-date recommendations from the UDOH, CDC, OSHA, and U.S. Department of Labor.

OSHA Technical Manual (OTM) | Occupational Safety and

Jan 20, 1999 · The purpose of the manual is to assist OSHA Compliance Safety and Health Officers in hazard recognition and to provide guidance in accident prevention. It also serves as a source of advice for CSHO's on safety and health issues. The manual is not a substitute for OSHA standards and is not used for establishing Agency compliance policies.
