Nevada Silver Premium Gaming Tokens-Marvin Weaver 1995

Gambling in America-William Norman Thompson 2001 An A-Z look at the history and impacts of gambling, including related legal, legislative, economic, and social issues. * More than 250 entries on every aspect of gambling in the United States * A chronology of significant events in the history of gambling from prehistory to the present day * The full text of 11 of the author's published articles on gambling * Reviews of more than 60 books in an extensive and thoroughly annotated bibliography

Numismatic Archaeology of North America-Marjorie H. Akin 2016-05-05 Numismatic Archaeology of North America is the first book to provide an archaeological overview of the coins and tokens found in a wide range of North American archaeological sites. It begins with a comprehensive and well-illustrated review of the various coins and tokens that circulated in North America with descriptions of the uses for, and human behavior associated with, each type. The book contains practical sections on standardized nomenclature, photographing, cleaning, and curating coins, and discusses the impacts of looting and of working with collectors. This is an important tool for archaeologists working with coins. For numismatists and collectors, it explains the importance of archaeological context for complete analysis.

A Gambling Guide-Nicolae Sfetcu 2014-05-03 Gambling as a betting action - wagering money or something of material value on an event with an uncertain outcome with the primary intent of winning additional money or material goods. A guide about what is gambling (with a special section for online gambling), casino games with both beatable casino games (poker, blackjack, video poker with progressive jackpot, pai gow poker, sports betting, horse racing - parimutuel, slot machines and other gambling machines) and unbeatable casino games (baccarat, craps, roulette, keno, casino war, faro, pachinko, sic bo, let it ride, 3-card poker, 4-card poker, red dog, Caribbean stud poker, etc.), and non-casino gambling games (bingo, lottery, mahjong, backgammon, bridge, etc.). Fixed-odds gambling in sports is also present in this book with horse racing, greyhound racing, football (particularly association football, American

football and rugby), golf, tennis, cricket, baseball, basketball, ice hockey, snooker, motor sports, boxing, darts, cross-country skiing and biathlon. Please, don't forget to take a look to the legality of the gambling and online gambling, as well as to the articles, warnings and links dedicated to the gambling addiction. Extreme cases of problem gambling may cross over into the realm of mental disorders.

Crap-Wendy A. Woloson 2020-10-09 Crap. We all have it. Filling drawers. Overflowing bins and baskets. Proudly displayed or stuffed in boxes in basements and garages. Big and small. Metal, fabric, and a whole lot of plastic. So much crap. Abundant cheap stuff is about as American as it gets. And it turns out these seemingly unimportant consumer goods offer unique insights into ourselves—our values and our desires. In *Crap: A History of Cheap Stuff in America*, Wendy A. Woloson takes seriously the history of objects that are often cynically-made and easy to dismiss: things not made to last; things we don't really need; things we often don't even really want. Woloson does not mock these ordinary, everyday possessions but seeks to understand them as a way to understand aspects of ourselves, socially, culturally, and economically: Why do we—as individuals and as a culture—possess these things? Where do they come from? Why do we want them? And what is the true cost of owning them? Woloson tells the history of crap from the late eighteenth century up through today, exploring its many categories: gadgets, knickknacks, novelty goods, mass-produced collectibles, giftware, variety store merchandise. As Woloson shows, not all crap is crappy in the same way—bric-a-brac is crappy in a different way from, say, advertising giveaways, which are differently crappy from commemorative plates. Taking on the full brilliant and depressing array of crappy material goods, the book explores the overlooked corners of the American market and mindset, revealing the complexity of our relationship with commodity culture over time. By studying crap rather than finely made material objects, Woloson shows us a new way to truly understand ourselves, our national character, and our collective psyche. For all its problems, and despite its disposability, our crap is us.

Numismatic Issues-Franklin Mint 1965

Casino Child-Lama Milkweed Augustine PhD 2014-01-29 A boy who was adopted by an ebullient owner of a thriving Las Vegas casino, but was born as a laiving composite. His entire torso was an unobstructed rendition of a "flat top" slot machine. A tale of high action, but deep insights into one who is handicapped, and where love takes the often chaotic foreground of this little family. The child is actually a mystical King, the "King of the Slot Machines," and came here on his own accord as a diving "mission" to communicate the needs of his gentle slot machines of the world. However in the process, he succumbs to a myriad of medical afflictions from being birthed in this manner, which he was known as the "CASINO CHILD." He passes away from his body's reluctant holdings, but long prior to his death, he touches lives of those around the Las Vegas gambling strip in a perplexity of ways; making the slot machines respond by a mere spoken word or a whispering conversation. Facing catastrophic loneliness and truthfully realizing life from no longer the perspective of his obedient slot machines, he brings people into the state of awareness in ways not normally achieved. When the child passes away at his father's sparking casino at night, the entire strip is doused into an inky blackness, as every slot machine the world over, mourns for the death of their gentle and mystical King and Creator, has passed into the very Heaven He has long ago created for his quiet and gentle own. 'King of the Slot Machines' came to his parents in a dream three days after his passing, and bequeathed his divine knowledge about his mission-"to communicate the needs of his slot machines, but perhaps "our" needs as well."

Distant Love-Kaycee Dee 2010-11-11 For Edward, Elizabeth is the epitome of the perfect womanblack hair, creamy skin, and a voluptuous body that begged to be touched. He considers her his soul mate, with one problem: her husband, Michael, an attention-hungry, self-centered jerk, who Edward considers to be an imposter in his perfect world. The three of them have been friends for thirty years, but Edward has never made his feelings about Elizabeth known until now. It begins harmlessly enough a few sexy notes and playful gifts from a secret admirer. Elizabeth would never suspect Edward, and he wants to keep it that way, to shield them both from scandal. But the notes and gifts escalate, until Edward finds himself pulled into the depths of obsession, stalking Elizabeth and watching her every move. Edward's love from a distance is soon out of control. As he loses his grasp on reality, he also loses his grasp on sanity. Told from the perspective of a man tumbling down the tunnel of madness, Distant Love details Edward's addiction to Elizabeth, from innocent to evil. Is it possible for Edward to peer into the darkness and return to face the light? Or will his harmless game mean the end

of his life and perhaps, the life of someone else?

Gaming in Online Casinos-Nicolae Sfetcu 2014-05-10 Internet casino guide - best gambling on net and casino bonus. Online casinos, also known as virtual casinos, are the online version of land-based ("brick and mortar") casinos. They allow you to play casino games through the Internet. Some online casinos provide various games, while others only provide only one type of game. Online poker is also very popular and there are many dedicated companies that provide this activity.

The Criminal Finances Act 2017-Jonathan S Fisher 2018-10-31 The Criminal Finances Act 2017 introduced the most radical change to tackling money laundering and corruption, recovering the proceeds of crime and counter terrorist financing, since the Proceeds of Crime Act was passed in 2002. This book will provide an excellent commentary on the changes introduced by the Act, with practical insights and an explanation of the Act's provisions. Topics included are: money laundering; unexplained wealth orders; terrorist property; tax evasion; and reasonable prevention procedures. Authored by Jonathan Fisher QC and Anita Clifford, barristers specializing in proceeds of crime and financial crime cases, this book will be of great interest and importance to all legal professionals working in the financial sector.

Strategic Interaction-Erving Goffman 1970-01-01 The two essays in this classic work by sociologist Erving Goffman deal with the calculative, gamelike aspects of human interaction. Goffman examines the strategy of words and deeds; he uses the term "strategic interaction" to describe gamelike events in which an individual's situation is fully dependent on the move of one's opponent and in which both players know this and have the wit to use this awareness for advantage. Goffman aims to show that strategic interaction can be isolated analytically from the general study of communication and face-to-face interaction. The first essay addresses expression games, in which a participant spars to discover the value of information given openly or unwittingly by another. The author uses vivid examples from espionage literature and high-level political intrigue to show how people mislead one another in the information game. Both observer and observed create evidence that is false and uncover evidence that is real. In "Strategic Interaction," the book's second essay, action is the central concern, and expression games are secondary. Goffman makes clear that often, when it seems that an opponent sets off a course of action through verbal communication, he really has a finger on your trigger, your chips on the table, or your check in his bank. Communication may reinforce conduct, but in the end, action speaks louder. Those who gamble with their wits, and those who study those who do, will find this analysis important and stimulating.

Gambling in America: An Encyclopedia of History, Issues, and Society, 2nd Edition-William N. Thompson Ph.D. 2015-02-10 This one-volume reference provides a comprehensive overview of gambling in the Americas, examining the history, morality, market growth, and economics of the gaming industry. • Includes documents from prominent court cases • Profiles leading persons and organizations dealing with gambling operations • Features a detailed chronology of events including legalization and laws on Internet gaming • Offers an expanded bibliography that provides additional resources for further study

Don't Play the Slot Machines (Until You've Read This Book)-Michael D. Geller 2001

Journey to Ithaka: Memoirs of an American Diplomat-Dave Grimland 2015-07-29 Dave Grimland journeys from his roots in Texas to his final home in Montana via stops in Greece, Cyprus, Turkey, Bangladesh, and India-like Odysseus traveling home to Ithaka. As a member of the American diplomatic service, he had the rare opportunity to learn about other cultures and religions in a series of exciting and occasionally dangerous adventures. Take a deeper look into other cultures, and gain new perspectives on old, vexing problems with a Journey to Ithaka. "In a series of highly readable vignettes, career diplomat David Grimland shares personal experiences from his many years abroad. These entertaining, sometimes suspenseful accounts clearly reflect Grimland's intelligence, wit, and sensitivity to the cultural differences he encountered in foreign lands. A delightful book. I loved it!" -George Bass, distinguished professor emeritus at Texas A&M University; founder and chairman emeritus of the Institute of Nautical Archaeology
